6032 Fieldstone Drive - Suite C
Baton Rouge, LA 70809

Dear Doug:

I felt the need to write to tell you how impressed I was with the group you sent my fiancée (Adrienne Bolotte) and I on last Tuesday. All three guys went above and beyond with their efforts and were truly a pleasure to work with. It is no wonder why you have been as successful as you are, with employees like that. Keep up the good work!

Thanks again for your professionalism and I can assure you that if we ever move again, I will be calling Student Movers.

Very truly yours,

Collier Thornton
